

A SPECIAL INVITATION

Friends, members of the Polanyi Society, and especially those attending the forthcoming annual meeting of the American Academy of Religion in New York, are invited to a reception honoring Professor Harry Prosch, co-author with Michael Polanyi of Meaning.

The reception will be held Saturday, November 17, at the Statler-Hilton Hotel in New York City during the annual meeting of the American Academy of Religion. The time is from 5:30 until 7 p.m. The meeting has been announced to be in the International Room, but we understand that a change will be made in our location and will be available at the information desk of the American Academy of Religion.

The special event at this reception will be a discussion with Professor Prosch of our own questions and comments on Meaning. Professor Phil Mullins of Missouri Western State College will chair the discussion and is receiving requests for places on the agenda. His address and telephone number are:
Department of Speech, Theatre, Humanities
Missouri Western State College
Downs Drive
St. Joseph, MO 64507 Telephone: 816-233-7192

The Polanyi Society is sponsoring this meeting but it will appreciate a contribution from those attending.

We also hope with the large number of people expected to be present that the status and progress of our Society will be reviewed and future plans made.

Further Polanyi Society News is forthcoming in the next issue of the Newsletter.
