

## Application for a Polanyi Society Travel Grant

Thank you for your interest in the Polanyi Society and the future of Polanyi studies. We look forward to further convivial collaboration with you.

To apply for a Travel Fund Grant:

- In an e-mail message, provide the Basic Information listed below.
- Submit it, along with specified attachments, electronically to the Travel Fund Chair, Dr. Esther L. Meek ([emeek@geneva.edu](mailto:emeek@geneva.edu)).
- All materials will be held confidentially. Early applications are appreciated; available travel funds vary from year to year and are usually fully allocated by early in the fall.
- Inquiries about fee waivers and/or support to attend a special Polanyi conference other than the annual meeting should be e-mailed directly to the conference chairperson (see the web page for the special conference) rather than the Travel Fund Chair as early as possible.

The Travel Fund Committee assesses grant candidates (1) according to their interest in and potential for future contribution to Polanyi Studies, (2) according to their specific financial need, and (3) according to the funds available in any given year.

### Basic Information

#### I. Personal Information.

Date of application:

Name

Course of study and institution

Current address

Best email contact information

Meeting Date for which you are applying for support

Meeting Location

**2.** In separate paragraphs on your e-mail, address the following questions concerning your interest in this Polanyi Society meeting:

Will you give a paper, make a presentation, or otherwise contribute to this conference? If yes, briefly describe your intended contribution. Whether you make a presentation or not, please carefully explain your reasons you want to attend this Polanyi Society meeting.

How do you anticipate that attending this conference will affect your scholarly development?  
How do you envision your future involvement with and contribution to Polanyi studies?

Please arrange to have a teacher or professional colleague write a confidential e-mail to Dr. Meek recommending your application for support.
