

Zoom Discussion Sessions on Michael Polanyi's 1964 Duke Lectures

The Polanyi Society sponsored an online discussion of Michael Polanyi's 1964 Duke Lectures in August and September 2020. A short introduction to the Duke Lectures and links for the five lectures are available in the collection of primary materials [here](#) in Polanyi Society web materials. The titles of the lectures below also directly link to that lecture. The Duke Lectures are one of several sets of lectures Polanyi gave in the sixties; they reflect the refinements in his philosophical perspective after *Personal Knowledge*. Polanyi intended for the Duke Lectures to become a book but there was a publishers' dispute and the Duke Lectures were never published.
